DIFERENCIAIS CICLOMADE

Só utilizamos MDF de primeira linha,
ideal para utilização de porcas-garra

Courvin próprio para utilização em
bancos de academia, com tratamento
UV e alta resistência.

Corte computadorizado, garantindo
a uniformidade e posicionamento
correto das furações.

Preenchimento em borracha soft, a mais
resistente do mercado. Maior duração
para suas peças.

Costura premium com revestimento
em Espuma ecológica, mais conforto
e beleza.
